Overview

The OCVL is a not-for-profit competitive league, run by volunteers, that has been operating in the Ottawa area under different affiliations since the 1950's.

We are mainly an adult league, although club teams under the age of 18 are permitted with coach representation. There are currently two divisions in the league – Men's and Women's that run from September to April. The Men's division plays on Monday nights, the Women's division on Tuesday nights.

A Qualifying / Ranking tournament is held in mid-late September for proper seeding of teams, if required.

The OCVL season is played over a 22 week schedule run from mid-September to April and is based on a tiered ladder system within a 2 week cycle.

Playoffs involving all teams are held at the end of the season, with playoff seedings based on average individual team rankings over the last 12 weeks of the season.

Return to Play

Our return to play protocols are based on the current Ontario statutes and regulations as well as current Public Health requirements enabling a safe return to sport.

These Protocols may be updated at any time. Please be sure that you are referring to the most recent Version which will be posted from time to time on the OCVL's website www.ocvl.ca. Current health protocols:

- Please do not attend any volleyball games if you are sick.
- Before attending any games, conduct a [self-assessment](#) if you have any symptoms AND follow the [self-isolation](#) instructions according to Ottawa Public Health if you are sick.
- Our facilities do not have any specific entry requirements at this time.
- These rules may change at any time.

Volleyball

Rules

- Canadian Volleyball Association rules are to be followed for all games in this league.
- The OCVL uses Ontario Volleyball Association (OVA) officials for every match.
- Each tier will consist of **4 teams**, except in women's, it will have a 6-team and a 3-team tier due to the odd number of teams registered.
- Teams will play a **best of 5 game** with a winner every night, except in the 3-team tier.
- Sets to 25 with the 5th set to 15, must win by 2, unless there is a time cap.
- 3-team tier will play a best of 3 game. Sets to 25 with 3rd set to 15, must win by 2, unless there is a time cap.
- Plenty of time has been allocated to each gym, but occasionally time runs out. There are two time caps in force:
 - For the 1st match, the time cap is when the 2nd match begins (ie. 9:10pm match)
 - For the 2nd match, the time cap is when the gym closes (ie. 11pm)
 - The official will announce the possibility of a time cap at least 5 minutes before the time cap. Time-outs are not permitted once a time cap is indicated. When the time cap is reached, play will continue until the end of the point in play. The team in the lead at the end of that point is declared the winner. Should teams be tied at the end of that point, one more point is played to determine the winner.
 - 4 Set Night Tie-breaker is where only 4 sets are played, and each team has won 2 sets, the winner is determined by:
 1. Greatest difference between points scored and points against for the 4 sets.
This will only be done when 4 sets are played, including if the 4th set ended with a time cap.
 2. If still tied, the winner is the winner of 2 of the first 3 sets played.
- We will use the **OCVL Ladder System** within a 2-week cycle. After week 1, teams will move up, down or stay, within the tier, based on their win/loss. On week 2, teams will move up or down within the tier or to a different tier depending on their win/loss results.
 - Week 1 – teams 1 vs 2 play, teams 3 vs 4 play. Results for the following week are as follows:
 - Team 1 - winning team of team 1 vs 2
 - Team 2 – winning team of team 3 vs 4
 - Team 3 – losing team of team 1 vs 2
 - Team 4 – losing team of team 3 vs 4
 - Week 2 – games are played 1 vs 2 and 3 vs 4. The results for the following week are as follows:
 - Winning team of 1 vs 2 goes up a tier to Team 4 in the division above (except in tier 1, they will remain as Team 1)

OTTAWA COMPETITIVE VOLLEYBALL LEAGUE

- Losing team of 1 vs 2 will become Team 3 in that tier
 - Winning team of 3 vs 4 will become Team 2 in that tier
 - Losing team of 3 vs 4 will become Team 1 in the tier below (except in the bottom tier, they will remain as Team 4)
- For 3-team tiers, a round-robin of games are played and the teams will be re-ranked 1st, 2nd or 3rd. After week 2 games are played, teams will re-rank:
 - 1st place team will go up a tier to Team 4 in the division above
 - 2nd place team will remain in the tier as Team 2
 - 3rd place team go down a tier to Team 1 in the division below
- The schedule is designed so that **no teams will play the split two weeks in a row**. Please check the schedule for the game times.
- **Minimum 5 players** on the court, must always have 3 players in the front row. Four or less players will result in a loss by default.
 - A **set default** occurs when a team does not have enough players “ready to play” at the scheduled start time of the match.
 - Subsequent set defaults occur every 10 minutes after that (ie. 7pm game = 1st set default at 7pm, 7:10pm = 2nd set default, 7:20pm = 3rd set default).
- **ALL players must be registered online** with waivers completed, before playing a match. This includes spare players. Waivers will not be provided at the gymnasiums.
- **Spares are permitted** as follows:
 - A player from another team can be borrowed.
 - A player in the same facility may play both the early and late game.
 - Players registered as spares in the OCVL database.
 - Spares are not permitted in the qualifying / ranking tournaments or the playoffs.
 - Every player **must be added to the online attendance** for tracking. Be sure to get the player’s name.
- A player must be on the team roster and have 10 regular season matches to be eligible for the playoffs.
- An official **game ball** is required for all games and is to be provided by the team players. The official Volleyball Canada ball is the Mikasa (yellow & blue ball). If both teams agree, any other official game ball is permitted.
- **Set up and take down** responsibilities:
 - Gyms with early & late games:
 - Week 1 – odd numbered team
 - Week 2 – even numbered team
 - 3-team tier – everyone help with set up and take down
 - Gyms with 1 game - set up by odd numbered team, takedown by even numbered team
- **Matching jerseys** are required by Monday, October 10, 2022.

- Jerseys must be numbered 1-99. The number must be placed on the jersey in the centre of the front and of the back. The number must be a minimum of 10 cm in height on the front and a minimum of 15 cm in height on the back.
- Jerseys/uniforms from prior years that do not comply with the uniform guidelines will be grandfathered.
- A libero jersey must have a different dominant colour and clearly contrast with the rest of the team.
- Spare players are required to wear matching jerseys.
